

Thanks for stopping by. You now have the adobe sketch doodle frames from my song on YouTube called "You're so Good Lord", by Mike Ginese

My YT handle is called Dawn Ginese-TheSingingNurse

You can use these frames to: write a note to someone special, make a shopping list, create a scripture memory card or wherever your creativity takes you. Let me know how you use them and if you enjoyed them. I'd love your feedback and any ideas to make them more fun & unforgettable.

My next adventure is to create desktop backgrounds. I have one on mine and it looks awesome. If you would like one please just ask, subscribe at my website www.TheSingingNurse.com to keep updated with resources that promote #HealthyIsAnAdventure or send me an email to thesingingnurse@gmail.com

Have a Blessed Week,

Dawn
